Prevention Training

Take Your Compliance Training from Boring to Brilliant!

Our compliance training experience with modern, bite-sized episodes served in a modern news-style format. Courses immerse learners in interactive videos that let them choose alternate endings, while learning to handle difficult, real-world situations. By influencing behavior and culture, employees learn to act ethically, speak up and prevent harassment and discrimination, and promote a positive, respectful workplace.

How to Get Started

Submit the following documents to over proposal of services.

Go to the client portal and **purchase** your employee training.

Upload your list of employee's, there is an excel template on the page.

Our team will then upload your list of employee's and **create a user as a manager**, this normally takes 1 business day or less. Managers will be able to login to the LMS system to see training overviews. Managers will also receive an email with each **employee's certificate** when they complete their courses.

Each employee will receive an email with instructions on how to login and get their training started. Once logged in, employee's can choose to **complete the course** in either English or Spanish.

Customer Reviews

"We chose Traliant because the training format was modern, engaging and fit our employee culture very well. Our employees have given us great feedback and they also appreciate accessing the courses on their smart phones."

AARON W | HR Director, Coopersmith Global Logistics

"Look no further if you are seeking engaging content for your workforce. Their training is the best we've seen, by far! You won't believe me when I say this, but our employees asked for more."

ALI T | HR Associate, Apex Clean Energy

"I wanted a solution that could deliver engaging training with excellent customer service at reasonable pricing. I received compliments throughout my organization about the training (that never happens)!"

DAVID K | Head of HR, INgrooves
